Possible Soviet Guided-Missile Launching Sites and
Ranges to NATO and SAC Targets

25X1B

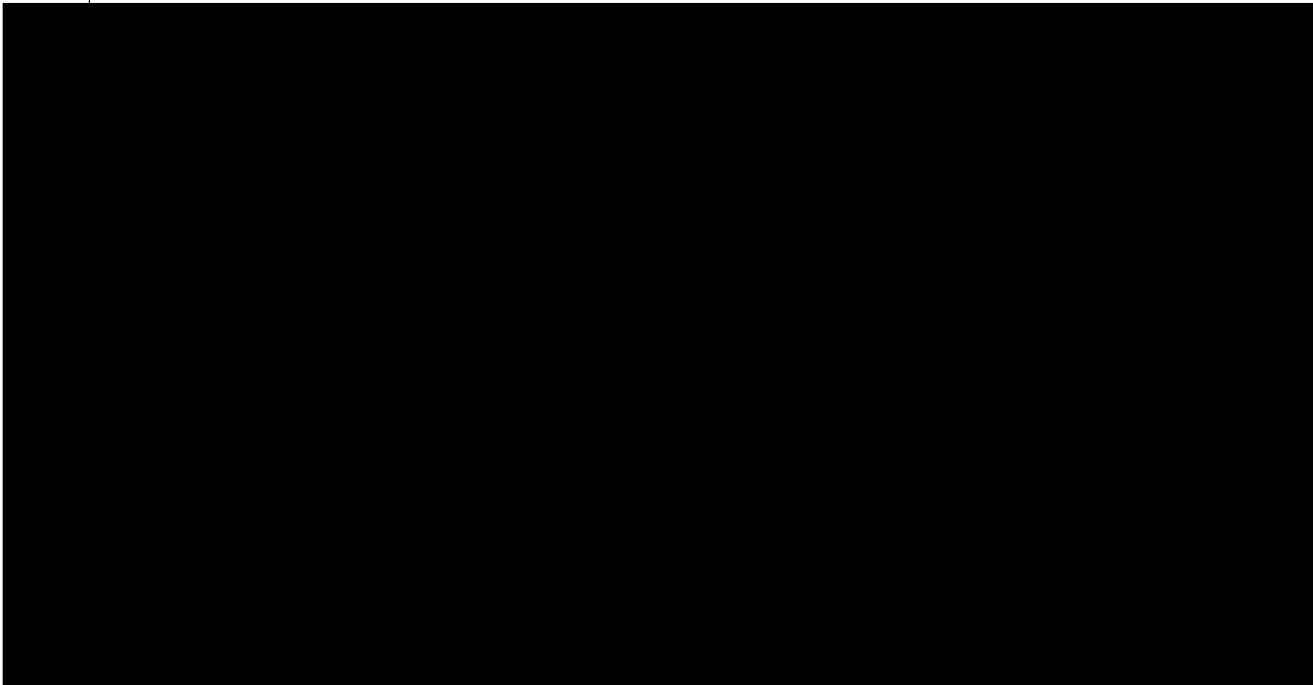

25X1B

The purpose of this study is to determine possible sites in the European part of the USSR for launching guided missiles to selected NATO targets and SAC bases in Western Europe and North Africa.

25X1B

The accompanying map shows the location of the selected potential guided-missile launching sites, the targets, and the ranges to the targets.
